Address: Lortzingstrasse 18, 81241, Munich, Germany (Home)

● ABOUT MYSELF

Multidisciplinary professional with a Master's in Immersive Technologies, Innovation in Education and Game Design, and a strong foundation in cybersecurity, digital systems, and emerging technologies. Google-certified in Cybersecurity, Networks & Network Security, Risk Management, Linux & SQL, Foundations of Cybersecurity, with hands-on knowledge in information security, network protection, and incident response.

I merge technical skills in cybersecurity, programming, data analysis, immersive technologies, and UX with a strong analytical and problem-solving mindset. Comfortable working across operating systems-Windows, macOS, and Linux-cloud and productivity tools, and collaborative digital environments. With an academic background that bridges technology, education, and human-centered design, I bring a unique perspective focused on usability, security, and innovation.

I am highly adaptable, fast-learning, and motivated to grow within the IT and cybersecurity field. I enjoy international, interdisciplinary teams and working on projects that merge technology, creativity, and real-world impact.
